**Altronix Welcomes Monica Mejia,
As Director of New Business Development, LATAM**

*Mónica brings extensive knowledge and experience to expand the company's footprint
in the region*

Brooklyn, NY (August 11, 2026) – [Altronix](#), the recognized global leader in power and data transmission solutions for the professional security industry, is pleased to announce that Monica Mejia has been appointed as director of new business development for Latin American (LATAM).

Her more than 18 years of strong industry experience, relationships in the security/datacom space, and extensive knowledge of Altronix solutions and applications, will contribute exponentially to company's growth in the region.

"Monica is the perfect addition to our team with her energy, passion and magnetic personality to build and strengthen relationships with new and existing customers in the LATAM region," said Alan Forman, President, Altronix.

Based in Mexico City (CDMX), Mónica will be responsible for new business development throughout Latin America, working in parallel with independent rep firm LAR to support Altronix resellers, dealers, their end-users, and the consultant community.

"I am proud to join Altronix to lead business development across Latin America, and I want to thank Alan Forman and Ronnie Pennington for their confidence in me," said Monica Mejia. "My focus is on supporting our network of distributors and systems integrators with reliable power, transmission, and intelligent infrastructure solutions for their projects. Together, we are going to build great things across the region."
